**Martin Myers**  
**Music Exchange**

Dear Martin

I thoroughly enjoyed attending Music Exchange this year. The speakers were of a very high quality and the spirit of the conference to impart knowledge, insights and practical experience to the emergent generation of aspirant musicians, is an admirable endeavor.

Its wonderful to be a part of such industry-leading initiatives, born out of Cape Town, yet open to all from around the country. It squarely positions our city as a music capital and an example to other provinces to emulate this initiative and to establish their own collaborative industry events in their own cities.

I am very much looking forward to being part of Music Exchange 2014.

Strength to strength.

Sincerely

Brian Benatar
